**Restore Recovery to Host Inaugural Celebration Banquet Honoring Women
Rebuilding After Addiction and Incarceration**

Saint Paul, MN – Restore Recovery, a Minnesota-based nonprofit dedicated to helping individuals reclaim their lives after substance use and incarceration, will host its **Inaugural Celebration Banquet** on **Friday, June 20 from 5:00 to 8:00 PM** at the **Town & Country Club** in Saint Paul.

This special evening will celebrate the strength, transformation, and resilience of women who are rebuilding their lives with the support of peer recovery services, transitional housing, and a community committed to long-term change. All proceeds will go toward expanding Restore Recovery's programs, which promote a lifestyle of recovery grounded in compassion, peer connection, and access to resources.

Tickets are \$100 per seat or \$1,000 per table of 10. Guests will enjoy a full dinner, silent auction, and heartfelt storytelling that shines a light on the power of second chances.

"Recovery is possible when someone is surrounded by the right community," says **Mindy Lackore-Mueller**, Chief Operating Officer of Restore Recovery. "This banquet is not just a fundraiser—it's a reflection of hope and a testament to what's possible with support."

Whether you can join in person or not, you can be part of this meaningful work. **Tax-deductible donations** can be made through Restore Recovery's secure website at www.restorerecovery.life.

Restore Recovery invites **media partners, community leaders, and donors** to help amplify the voices of women in recovery by sharing this event with your networks, attending the banquet, or making a contribution.
